***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance:

Claim 35 was previously objected to as containing allowable subject matter and dependent from a rejected base claim. Applicant has subsequently rewritten claim 35 in independent form to include all the limitations of the base claim (previous claim 40) and the intervening claims (previous claims 30, 31, and 32). The reasons for allowance are as given in paragraph 17 of the Final Rejection dated 8/4/05.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
